Commissioner:

Pursuant to the Office Action dated January 17, 2001, the Applicant responds as indicated below.

REMARKS

1. The Examiner has requested that the original patent be surrendered. The Applicant has had the original patent hand delivered to the Examiner on January 26, 2001, receipt of which has been acknowledged by Examiner Lee.
2. The Official Draftsperson has objected to the drawings indicating that Figs 10(b), 10(c) improper solid black

shading. The undersigned, in a telephone interview with Draftsperson Funn on February 9, 2001, explained that the figures depicted signals described in the specification and, as such, the blackened areas were not shading. Draftsperson Funn has thereupon reconsidered his objections and has asked that the Examiner provide him the drawings for official approval processing.

Accordingly, in view of the above the Application should be in condition for allowance.

Respectfully submitted,

CHRISTIE, PARKER & HALE, LLP
